

ASP... the BORON difference!

For decades ASP has set the benchmark for quality wear resistant boron steel discs and blades. Engineered in Europe with a unique alloy composition and refined through years of metallurgical expertise, our boron steel components deliver unmatched hardenability and wear resistance. Our discs & blades have proven themselves time and again in some of the toughest environments in Australia.

Tried - Tested - Trusted

That's the legacy of the ASP boron steel range
- and it is only getting stronger!

Christmas Closure

We wish all our customers a joyful festive season and a Happy New Year! Please note that ASP will be closed from Monday the 22nd December and will reopen on Monday the 5th January 2026.

Thank you for your continued support - we look forward to assisting you in 2026!

Warm wishes,
The ASP team!
